Social Media and Electronic Communication Policy

The use of digital media and electronic communication enables the Parish Council to interact in a way that improves the communications both within the Council and between the Council and the people, businesses and agencies it works with and serves.

The Council uses the Wretham Village Website and uses email to communicate. The Council will always try to use the most effective channel for its communications. Over time the Council may add to the channels of communication that it uses as it seeks to improve and expand the services it delivers. When these changes occur this Policy will be updated to reflect the new arrangements.

Communications from the Council will meet the following criteria:

- Be civil, tasteful and relevant;
- Not contain content that is knowingly unlawful, libellous, harassing, defamatory, abusive, threatening, harmful, obscene, profane, sexually oriented or racially offensive;
- Not contain content knowingly copied from elsewhere, for which we do not own the copyright;
- Not contain any personal information.

Website.

Where necessary, we may direct those contacting us to the Wretham Village website (www.wretham.net) to see the required information, or we may forward their question to one of our Councillors for consideration and response. We may not respond to every comment we receive particularly if we are experiencing a heavy workload.

Parish Council email

The Clerk to the Council uses his personal email for Council business (jg69@onetel.com).

As the Clerk works of only a limited number of hours a month, emails are not monitored during any specific period of time, but emails are checked and dealt with regularly, and we aim to reply to all questions sent as soon as we can.

The Clerk is responsible for dealing with email received and passing on any relevant mail to members or external agencies for information and/or action. All communications on behalf of the Council will usually come from the Clerk, and/or otherwise will always be copied to the Clerk. All new emails requiring data to be passed on will be followed up with a Data Consent Form for completion before action is taken with that correspondence.

Individual Councillors are at liberty to communicate directly with parishioners in relation to their own personal views, if appropriate, with a copy to the Clerk. NB: any emails copied to the Clerk become official and will be subject to The Freedom of Information Act.

These procedures will ensure that a complete and proper record of all correspondence is kept.

Do not forward personal information on to other people or groups outside of the Council; this includes names, addresses, email, IP addresses and cookie identifiers.

27 August 2018

SMS (texting)

Members and the Clerk may use SMS as a convenient way to communicate at times. All are reminded that this policy also applies to such messages.

Video Conferencing e.g. Skype

If this medium is used to communicate please note that this policy also applies to the use of video conferencing.

Internal communication and access to information within the Council

The Council is continually looking at ways to improve its working and the use of social media and electronic communications is a major factor in delivering improvement.

Councillors are expected to abide by the Code of Conduct and the Data Protection Act in all their work on behalf of the Council

As more and more information becomes available at the press of a button, it is vital that all information is treated sensitively and securely. Councillors are expected to maintain an awareness of the confidentiality of information that they have access to and not to share confidential information with anyone. Failure to properly observe confidentiality may be seen as a breach of the Council's Code of Conduct and will be dealt with through its prescribed procedures. (At the extreme it may also involve a criminal investigation).

Members should also be careful only to copy essential recipients on emails, i.e., to avoid use of the 'Reply to All' option if at all possible, but of course copying in all who need to know and ensuring that email trails have been removed.

Approved by the Council on 13 September 2018
