7. MATTERS ARISING

7.1 OUTSTANDING HIGHWAY MATTERS

Highways emailed re ENQ-663793-G1B6Z3 (Croxtan Road) stating potholes resolved. Cllr JF and SF reported the potholes still not fixed satisfactory – Cllr SF to take photos and will email the Clerk.

Clerk chased Highways ENQ-28545 re hedge rows around the junction of the A1075 + Woodcock Road and informed they will be sorted by the end of the month. Clerk to monitor.

Highways emailed reply re A1075 layby – “As for the verge in the rest area, there is very little that can be done to prevent the erosion of the verge. As previously mentioned, bollards would not be acceptable on an A road and funding for the construction of a new kerb line is not available. I also do not believe that any form of verge reconstruction with earth and grass seed would be affective as this would simply be eroded again due to presence of large vehicles.

The verge is predominantly for the use of large vehicles to provide a safe area for drivers to take regular breaks”.
